

TUESDAY NIGHT 2 MAN MEN'S LEAGUE

WHEN - EVERY TUESDAY BEGINNING MARCH 12TH WITH A 5:30 PM MODIFIED SHOTGUN START. THE REGULAR SEASON BEGINS ON APRIL 30TH.

LEAGUE STRUCTURE

9-holes. The league will be comprised of 2 man teams. Each team will have the option to have one alternate. The golf ball will be played down throughout the golf course in 2019. The league will be split into four separate divisions (based on a minimum of 72 players). The three teams from each division with the highest cumulative point total will qualify for the playoffs. In addition, there will be four wildcard teams with the highest second half point total that don't qualify as a top three seed.

FORMAT

Each team will be comprised of an A and a B player. The A player will have the lower handicap and the B will have the higher. March and April will be used to establish each player's league handicap. The GHIN system will be used in 2019 to calculate each player's handicap. Each week teams will have a match for a total of 18 points possible. The A players will have a net match for a total of 9 points (1 point per hole ... halved holes are .5 points for each player). B players will play for the same 9 points.

Weekly fees for the public will be \$34 and \$5 for members. This will include 9 hole green fee with cart, range balls before golf and dinner after golf.
